YOUR VOTE COULD CHANGE THE DIRECTION OF THE COUNTRY

It is crucial to be informed on the issues important to small business and vote for those candidates that support small businesses. NFIB PACs have endorsed the following candidates because they are willing to be a voice for America's small business owners and protect the families, employees, and communities that depend on them.

Endorsements are current as of mailing date.

A Message from NFIB President

Brad Close

Small business owners are facing significant headwinds – inflation, supply chain disruptions, a lack of qualified job applicants, and elected officials in the states and Washington, D.C. that seem to think small businesses are the problem. Small businesses need strong advocates who fight for them in state legislatures, governor's mansions, and Congress.

Brad Close | NFIB President
