VOTING RECORD

Votes by your state legislators on key small business issues are listed here. Although this Voting Record does not reflect all elements considered by a lawmaker when voting, nor does it represent a complete profile of a legislator, it can be a guide in evaluating your legislator’s attitudes toward small business. Please thank those legislators who supported small business.

BOTH CHAMBERS

1. Personal Income Tax (HB 1209): The Act allows small business owners to protect the deduction of State business taxes on their federal tax bills. A “Yes” vote supports the NFIB position. Passed the House 98-0. Passed the Senate 35-0. Signed by the governor.

2. Business Income Taxes (HB 1361): The Act ensures that COVID-19-related funds such as the Paycheck Protection Program and emergency grants received by businesses during the pandemic would not be treated as taxable income. The Act also creates $212 million in tax savings for small business. A “Yes” vote supports the NFIB position. Passed the House 96-0. Passed the Senate 33-0. Signed by the governor.

3. Unemployment Insurance Reform (HB 1212): The Act creates a process to prevent small businesses that experienced COVID-19-related layoffs from enduring unemployment insurance increases. A “Yes” vote supports the NFIB position. Passed the House 98-0. Passed the Senate 35-0. Signed by the governor.

5. Tort Liability Reform (HB 1487): The Act creates liability protection to keep small business owners from being sued by customers or employees who claimed to have contracted COVID-19 in their businesses. A “Yes” vote supports the NFIB position. Passed the House 79-11. Passed the Senate 34-1 Signed by the governor.

6. Eminent Domain Reform (SB 334): The Act prohibits state agencies and cities from taking a private business owner’s property through eminent domain in order to give or sell the property to another business. A “Yes” vote supports the NFIB position. Passed the House 83-1. Passed the Senate 30-2. Signed by the governor.
