Dear Representative:

On behalf of NFIB, Arizona's leading small business advocacy organization, I write in support of House Bill 2900.

NFIB supports two key tax provisions contained within this legislation. The first being the reforms to Arizona's individual income tax. The second being the reductions of the assessment ratio for class 1 property.

The vote on House Bill 2900 will be considered an NFIB Key Vote for this legislative session.

With kind regards,
