## Guardians of Small Business | 2019-20

In a two-year session marked by the passage of several tax increases, costlier penalties, and expanded legal liability impacting small businesses, 44 legislators stood out for their perfect or near-perfect support of our state's leading job creators, earning the title Guardian of Small Business for the 66th Washington State Legislature (2019-20).

Lawmakers were scored on 10 votes in each chamber. Those voting the NFIB position at least 90 percent of the time received NFIB's Guardian award.
