

Be the voice
of small business.

NOVEMBER 8, 2022

A Message from NFIB President

Brad Close

“

Small business owners are facing significant headwinds – inflation, supply chain disruptions, a lack of qualified job applicants, and elected officials in the states and Washington, D.C. that seem to think small businesses are the problem. Small businesses need strong advocates who fight for them in state legislatures, governor’s mansions, and Congress.
