A Message from NFIB President

Brad Close

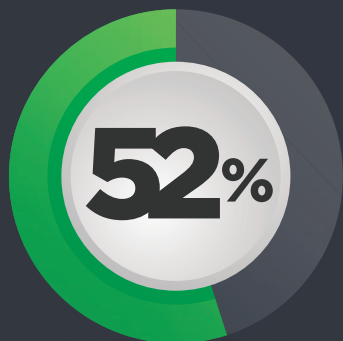

Small business owners are facing significant headwinds – inflation, supply chain disruptions, a lack of qualified job applicants, and elected officials in the states and Washington, D.C. that seem to think small businesses are the problem. Small businesses need strong advocates who fight for them in state legislatures, governor’s mansions, and Congress.

Brad Close | NFIB President

INFLATION AND WORKFORCE SHORTAGES TOP SMALL BUSINESS PROBLEMS

.....
of small business owners reported **inflation** or **workforce shortages** as their most important problem.
