

Is TechCred for Small Businesses?

Businesses of all sizes have the same opportunity to receive funding through TechCred. Each size category has funds allocated for their use. The small business category includes businesses with 1 to 50 employees.

What is TechCred?

The program provides \$2,000 for each tech-focused credential earned. No matter the size of the business, funding is limited to \$30,000 per application period for each business.

For a credential to qualify, it:

- Must be short-term, less than one year to complete
- Must be technology-focused
- Must be industry-recognized

What's in it for employers?

TechCred helps employers build a stronger workforce with the skills needed in a tech-infused economy.

How do businesses get started?

1. Identify skills needed
2. Partner with an education or training provider
3. Apply online
4. Enroll employees in the program
5. Submit proof of credential completion
6. Receive reimbursement for completed credentials
